

Shine a spotlight on a special friend to families!

Early Childhood Community

Stars

Do you know a local company or agency that **puts families first** in its policies and procedures? Perhaps it's a store where a "child-friendly" play area makes shopping more do-able and fun for the whole family. Or an employer who offers some flexibility for parents to take time to attend parent-teacher conferences and other school activities.

We want to recognize the people and places that make family interaction a priority in dealing with their customers, clients, and employees. Please take a moment and nominate someone who makes life a bit easier for parents who want to do the very best for their children.

"Community Star" nominees will be honored during the **BE THEIR HERO FROM AGE ZERO Summit on May 2nd** at the Monroe County Intermediate School District.
