ASSISTIVE TECHNOLOGY CLASSROOM INVENTORY

MCISD Staff,

During your end-of-the-year check-out, we are requesting that you do an inventory of your assistive technology equipment and software. Ideally, all assistive technology equipment that is not being used would be returned to the Instructional Resource and Technology Center (IRTC) on MCISD's campus prior to leaving for the summer.

If you know, for a fact, that your student will either be using the equipment in your classroom during the next school year and/or the student will be taking the equipment home, then we request that you complete the Assistive Technology Classroom Inventory Form.

Thank you,

Barry Aherne, Nancy Durkin, Krista Hilsenbeck, and Ryan Knoblauch
