### Information about your program:

What are the learning outcomes and objectives for your program? Please provide information on what participants will be able to do as a result of attending, and the overall purpose of the program.

### **Evaluation Questions**

You have the option to include extra questions to the online Participant Evaluation. Additional questions? We encourage program specific questions. These *(up to five)* can be in any format and added to the standard online evaluation.

#### Standard questions for every program:

- 1. Describe two (2) ways you could apply this new knowledge or skill in your role as an educator.
- 2. Please provide feedback to the facilitator or sponsor regarding the program's structure, content, delivery, or any other comments you would like to share with the facilitator.
