OPEN ENROLLMENT

Name: _____ **Date:** _____

_____ I **elect** to have Monroe County Intermediate School District prefund my Health Savings Account on the first business day in January 2024. The amount to be prefunded for the year totals \$1,600.00. The amount to be prefunded each quarter will be \$400.00 on the first business day of the month in January, April, July and October 2024. I understand I will be deducted \$88.89 each payroll (January through June and October through December; \$88.89 for 17 pays and \$88.87 for 1 pay) to repay this amount back to the ISD.

I further acknowledge that if I leave the employment of Monroe County Intermediate School District before I have repaid that quarter's prefund, I authorize the balance due to be deducted from my final payroll check. If my final check doesn't cover the balance due, I agree that I will reimburse the ISD by personal check before my final workday.
