MESSA ABC with 5-Tier Rx

Overview

- You pay the full cost of your prescriptions until your deductible is fully paid. After deductible, you are responsible for prescription copayments or coinsurance until your out-of-pocket maximum is reached.
- If the approved amount of a prescription medication is less than the copayment, you pay only the approved amount for the drug.
- Specialty medications are handled separately. Specialty drugs must be obtained by mail through Walgreens Specialty Pharmacy or select Walgreens retail pharmacies. If you obtain them from any other provider, you may be responsible for the total cost.
- The initial quantity of select specialty drugs may be limited, and your cost will be reduced accordingly. Additional fills for specialty drugs are limited to a 30-day supply.
- Your prescription plan includes a number of money-saving features, including prior authorization, step therapy and quantity limits.
