LIFE INSURANCE COMPANY OF NORTH AMERICA

hereby certifies that members of

MICHIGAN EDUCATION SPECIAL SERVICES ASSOCIATION
(Herein called the Policyholder)

who are insured under Group Policy Number LK-980035 issued by Life Insurance Company of North America are, subject to the terms and conditions of said Policy, insured for the benefits described in the pages of the booklet.

This Certificate, which is furnished in accordance with, and subject to, the terms of the Group Policy, replaces any and all Certificates previously issued to you by the Insurance Company under the Group Policy specified above covering the insurance described herein. This is not the contract of insurance. Each policy and the application of the Policyholder for it constitute the entire contract. This Certificate is merely evidence of insurance provided under the Group Policy. The insurance is effective only after the person concerned is eligible for insurance and becomes and remains insured in accordance with the terms, provisions and conditions of the Group Policy.

WHO IS ELIGIBLE FOR COVERAGE

The following individuals are eligible to become members of the Michigan Education Special Services Association (MESSA) and may apply for coverage:

- any active, associate, service associate, or student member of the Michigan Education Association (MEA) as defined in the MEA bylaws;
- any member of a bargaining unit in an educational agency in which a local association of MEA is the recognized bargaining agent and has negotiated MESSA benefits for its members;
- any administrator employed by an educational agency in which a local association of the MEA is a recognized bargaining agent and has negotiated MESSA benefits for its members;
- any other eligible individual as defined in the Michigan Education Special Services Association (MESSA) bylaws as constituted on May 20, 1988, as amended.

An application is required if you are:

- enrolling for the first time;
- changing coverages; or
- changing school districts.

IT IS YOUR RESPONSIBILITY TO NOTIFY MESSA AND YOUR EMPLOYER OF ANY CHANGE IN YOUR EMPLOYMENT STATUS.

WHEN COVERAGE IS EFFECTIVE

The following information details the guidelines for your effective date of coverage:

Employee

- If you are a new employee and enroll for coverage within 31 days following the date you became eligible, your coverage will be effective on the date you became eligible, if your coverage is approved. In either case this is the date approved by MESSA and verified by your employer. The date you became eligible will be the later of:
 - (1) your date of employment; or
 - (2) the day following completion of your employer's eligibility waiting period, if applicable.
- During open enrollment, the effective date of coverage for all new applications and coverage changes will be that date approved by MESSA and verified by your employer.
- If your application is submitted at any other time, your coverage will be effective on the first day of the month following approval of your application by MESSA.
- If you are absent from work because of injury or sickness on the date your coverage would otherwise become effective, your coverage will not become effective until the day you return to active work. To be considered actively at work for coverage purposes, you must be physically and mentally able to perform your normal duties for a regularly scheduled workday when you report to work.

WHEN COVERAGE TERMINATES

Termination of Employment: Coverage will end on the last day of the month in which you terminate employment.

Non-payment of Contributions: Coverage will end on the last day of the month preceding the month for which the required contribution has not been received by MESSA.

Termination of Employer's Participation: Coverage will end on the last day of any month in which your employer ceases to participate under the Group Policy with the Insurance Company.

Members No Longer Eligible: Coverage will end on the last day of the month in which a member no longer meets the eligibility criteria described in "Who is Eligible for Coverage".

Termination of the Group Policy: Coverage will end on the date the Group Policy terminates.

NOTE: If you cease active work or leave school employment, contact MESSA Membership to determine what arrangements, if any, may be made to continue coverage. Also, see specific plan descriptions.

GENERAL PROVISIONS

Time Limit on Certain Defenses

A claim will not be denied nor will the validity of coverage be contested because of any statement about insurability made by you while eligible for coverage under the Policy, if:

- the insurance has been in force for at least two years before any such contest; and
- the person about whom such statement was made was alive during those two years.

Release of Information

Each person covered under these plans authorizes Physicians, Hospitals and other providers of service to furnish to MESSA and the Insurance Company, upon their request, information about treatment which the covered person may have received. Physicians, Hospitals and other providers of services are authorized to permit MESSA and the Insurance Company to examine their records about the services and to submit to MESSA and the Insurance Company reports of the services in the detail MESSA and the Insurance Company request. All information related to treatment of the covered person will remain confidential except when used to determine rights and liabilities arising under these plans.

How to Appeal a Claim Denial

If you do not agree with a claim denial, you may request that a review be made of your claim. You should submit a written request for review of your claim within sixty days after receiving a notice of denial. Your request should be addressed to MESSA Benefits Administration.

You may submit additional information with your request for review. You may request and receive copies of pertinent documents, although in some cases, authorization may be needed for the release of confidential information, such as medical records. You should submit the facts and any supporting comments in writing.

A decision will be made by MESSA and the Insurance Company within 60 days following MESSA's receipt of request for review or the date all information required of you is furnished, whichever date is later. The decision will be in writing and will specify the reasons for the final decision.

Contest

No action or suit at law may be commenced upon or under this plan until 30 days after notice has been given by the member to MESSA and the Insurance Company that the reconsidered decision of MESSA and the Insurance Company under their claim review procedure is unacceptable, nor may such action be brought at all later than 3 years after such claim has arisen.

Right of Recovery

If an overpayment is made due to any reason, including but not limited to a payment under any Workers' Disability or Occupational Disease Act or Law, Social Security Award, benefits under another disability plan, clerical error, misstatement of age or misstatement of salary, MESSA and the Insurance Company shall have the right to recover such overpayments from the covered member or beneficiary, or to deduct such overpayment from future benefits.

If there is a recovery by you, whether by judgment, settlement, retroactive award or otherwise, you shall reimburse MESSA and the Insurance Company to the extent of the total amount of such benefits paid under this plan, and applicable interest. However, the reimbursement shall not exceed the proceeds of any such recovery after the deduction of reasonable and necessary expenditures, including attorney's fees, incurred in effecting such recovery.

NOTE: If a voluntary pay compromise, redemption, withdrawal of a petition for mediation or hearing, or any other type of settlement is made without our approval, e.g., for a work related claim or retirement settlement, we will subtract an estimated disability compensation award as long as you continue to be eligible for disability benefits.

GENERAL PROVISIONS (Continued)

If you incur expenses on account of bodily injury or sickness, caused by or alleged to have been caused by negligence, wrong or act of a third party and benefits are payable under this plan, you will receive the benefits. However, if there is recovery by you or a personal representative from the third party, or his/her personal representative, whether by voluntary payment, judgment, settlement or otherwise, on account of such bodily injury or sickness, you or your personal representative shall reimburse MESSA and the Insurance Company to the extent of the total amount of such benefits paid under this plan, and applicable interest. However, the reimbursement shall not exceed the proceeds of any such recovery after the deduction of reasonable and necessary expenditures, including attorney's fees, incurred in effecting such recovery.

You will reimburse us on all money you or your personal representatives receive.

You grant us the right to intervene in your lawsuit for the purpose of enforcing our lien.

You agree to inform us when you hire an attorney to represent you, and to inform your attorney of our rights under this plan.

You agree not to reach any settlement or take any action which would prejudice our rights and interests.

You are required to do whatever is necessary to help us enforce our right of recovery.

NOTE: If you refuse or fail to cooperate with us under this section, we may hold you liable for the amount of benefits we have paid and any legal fees and expenses we incur in obtaining reimbursement.

Medical Examination

MESSA, at its own expense, shall have the right and opportunity to have an individual examined by a Physician of its choice as often as it may reasonably require.

Definition of Physician

A "Physician" is a doctor of medicine (MD) or osteopathy (DO) legally qualified and licensed to practice medicine and perform surgery at the time and place services are performed. An optometrist, dentist, midwife, podiatrist, or a doctor of chiropractic who is legally qualified and licensed to practice at the time and place services are performed is deemed to be a Physician to the extent that the doctor renders services which he/she is legally qualified to perform.

A "Physician" is also a person who is licensed under Act 368 Public Acts of Michigan 1978, as a fully licensed psychologist at the time services are performed. In a state where there are no certification or licensure requirements, a psychologist is one who is recognized as such by the appropriate professional society at the time and place services are performed.

Definition of a Hospital

"Hospital" is a facility which, in return for compensation from its patients, provides diagnostic and therapeutic services on a continuous inpatient basis for the surgical, medical or psychiatric diagnosis, treatment, and care of injured or acutely sick persons. The services are provided by or under the supervision of a professional staff of licensed Physicians and surgeons. A Hospital continuously provides 24-hour-a-day nursing service by registered nurses. A Hospital is not, other than incidentally, a place for custodial, convalescent, pulmonary tuberculosis, rest or domiciliary care; an institution for exceptional children; an institution for the treatment of the aged or substance abusers; or a skilled nursing facility or other nursing facility. A Hospital must meet all applicable local and state licensure and certification requirements and be accredited as a hospital by state or national medical or hospital authorities or associations.

SHORT TERM DISABILITY INSURANCE

WHAT IS PAYABLE

Benefits are payable if you become Disabled by accidental injury or sickness while insured and remain Disabled beyond the Waiting Period you elect. You must be under the regular care and attendance of a Physician.

1. Benefits are not payable during a summer vacation period or its equivalent unless it is medically necessary for you to be house confined or Hospital confined. If a Disability commences within thirty (30) days from the date of an accidental injury, it is not necessary to be house or Hospital confined.

Note: Medically necessary house confinement means that the attending Physician has prescribed that you cannot leave the house except to receive medical attention.

2. In no event will a Disability due to accidental injury or sickness be considered to have commenced more than three (3) days prior to the first visit to a Physician for that condition.

PRE-EXISTING CONDITIONS FOR SHORT TERM DISABILITY INSURANCE

A pre-existing condition is any injury or sickness or related medical condition for which medical advice, care or treatment (including prescription drugs) was received during the three-month period ending on the effective date of coverage. In the event you have a pre-existing condition, no benefits are payable for disability for that condition.

This pre-existing provision expires on the earliest of:

1. A period of three (3) consecutive months ending on or after the effective date of your insurance if during this time you did not incur any expenses or receive any medical treatment or services (including prescribed drugs or medicines) in connection with such injury, sickness or any related conditions;
2. A period of six (6) consecutive months if during this time you have been continuously insured and there has been no loss of time from active employment due to the pre-existing condition;
3. A period of twelve (12) consecutive months if during this time you have been continuously insured.

NOTE: The pre-existing provision shall also apply to any increased Weekly Benefit amount or decreased Waiting Period. All time periods are determined from the effective date of the change.

WAITING PERIOD

Waiting Period: You may elect to enroll for a seven (7) day or twenty-eight (28) day Waiting Period.

If a Disability commences during a period your coverage has been extended while you are on an employer approved leave of absence without pay, your Waiting Period will begin the date you are scheduled to return to active school employment.

HOW MUCH

Benefits are payable for each period of Disability for the Maximum Period of Payment. The Weekly Benefit payable will be reduced by the amount of the following other income sources:

1. Any earnings, including salary, wages, commissions or similar pay, you receive or are entitled to receive from work including earnings from your employer, any other employer or self-employment.
2. The amount of any disability or retirement benefits you receive from your employer's retirement or pension plan, including the Michigan Public School Employees' Retirement Fund.
3. Any amount you receive or are eligible to receive from Social Security or Railroad Retirement by reason of your disability or retirement.
4. Any amount you receive or are eligible to receive as a periodic benefit for disability under:
 - (a) any employer's, labor management trustee, or union employee benefit plan; or
 - (b) any governmental (not military) agency, program or coverage required or provided by law; e.g., Workers' Compensation or non-coordinated wage loss benefit under no-fault automobile coverage.

NOTE: Until you submit proof satisfactory to the Insurance Company that you are not entitled to the disability benefits provided above, the Insurance Company will assume that you are entitled to the maximum amount of such periodic benefit, including dependent benefits.

SHORT TERM DISABILITY INSURANCE (Continued)

If Weekly Benefits are payable for a period which is less than a week, the amount payable for each day of that period will be one-seventh of the Weekly Benefit.

SINGLE SUM PAYMENTS UNDER OTHER PLANS
